MANAGER'S CORNER

Hello Briarwood Property Owners Association:

Season is in full swing here in SW Florida and we welcome back all of our seasonal residents to Briarwood. We have many great activities and events planned throughout season that we hope all of our residents take advantage of. Thank you to everyone who joined us for our Drive in Movie Night "Toy Story 3" in January and we invite everyone to join us March 4th for "Alvin and the Chipmunks 2."

Our community's Italian Night was a hit with all of our residents as well, as you can see the combination of delicious Italian food, authentic live Italian music, and all of our Briarwood neighbors made for a great evening that left everyone who attended looking forward to our next event. Looking ahead to March 18th we will be having Our Spring Break Celebration BBQ Night and Movie, this event to kick-off springtime here in Briarwood is an event you definitely do not want to miss!
